

222 Ministries: 30 Day Prayer Schedule 2017

Day 1 Pray for: **The Core Vision and Mission of 222 Ministries:** That we stay faithful to our calling by training and raising men and women of God who will perform God's plans in their generation and bring about the transformation of the Farsi-speaking world and other nations.

Day 2 Pray for: **Establishment of House Churches:** This remains the primary purpose of the 222 family! We want to see churches established in each of the 243 major cities in Iran and amongst every one of the 74 recognized people groups.

Day 3 Pray for: **The Spiritual Eyes of the Iranian Leaders to be opened like Paul:** After four decades of daily curses pronounced against Israel and the West, Iran as a whole is suffering from unprecedented calamities! Famine, drought, plagues! Let's pray for the clerics, parliamentarians, Revolutionary Guards, Basijis, and their families, especially their small children.

Day 4 Pray for: **Prisoners of Faith in Iran:** Those too many to name here, who are suffering for the sake of the Gospel. Pray for their families. Also pray for those who have been temporarily released with heavy bails (which is a government strategy to bankrupt Iranian Christians)! In many cases they have lost their jobs, businesses and even been ostracised by their own families.

Day 5 Pray for: **Iranian Youth:** There are 20 million young people between the ages of 16 and 26! There are over 3 million university students - disillusioned, restless and hungry for truth. Large numbers are seeking truth amongst the lies! Tens of thousands are impacted by unemployment, drugs and the curse of temporary marriage.

Day 6 Pray for: **222's Boards of Trustees:** US, UK, Netherlands, Sweden, Germany. For integrity, purity, humility and accountability. For favour with authorities and Godly connections. Pray for many more trustees to answer the call to join.

Day 7 Pray for: **All 222's Donors, Resource Partners, Churches and Christian Organizations that have stood by us for many years:** Pray for them, their families, their health and finances. Pray that all will be blessed by our godly partnership and by seeing the fruit of their investments. Pray also for abundance of resources from within the Farsi-speaking community.

Day 8 Pray for: **222's Finances:** As we trust God for prophetic, extraordinary promises - for the release of finances to enable the ministry to be engaged and expand effectively as new doors open; there is a great harvest awaiting us. We need supernatural resourcing and multiplication so that finances will not be a hindrance to the advance of the Gospel!

Day 9 Pray for: **Turkey:** The unique opportunities in Turkey, where over a million from Iran visit every year. Pray for 222's churches in Balikesir, Eskisehir, Nevsehir, Kayseri, Yalova, Isparta, Afion, Kirikkale, Nigde, Ankara, Kutahya, Chankeri and opportunities emerging in numerous other cities.

Day 10 Pray for: 222 Pastors, Ministry Leaders and Staff: Pray that in all efforts, they will express kingdom values. Pray for a new worldwide initiative amongst pockets of Farsi-speakers that is being pioneered by passionate, bold and Kingdom mindset bold leaders.

Day 11 Pray for: Armenia: For 222's training centre and the Noah's Ark Church. Pray for the means to expand to new territories in the region, as well as raising up a new generation of anointed leaders.

Day 12 Pray for: Peace in the Middle East: Peace for Syria, for God's mercy and intervention to stop the mindless massacres; for tens of thousands of Christians who are caught in the crossfire especially in Aleppo; for those driven from their homes by Islamic State and the brutal raging war.

Day 13 Pray for: Project Good News: 20 March is the first day of 'NOWRUZ', the Iranian New Year. Year after year hundreds of thousands of Iranian and Afghan tourists visit Turkey. For many years we have been witnessing in the streets. This year 120 select and trained evangelists will be in 10 cities! Please pray during 20-30 March for great harvest, protection, good health, healings and miracles and the required finances.

Day 14 Pray for: 222's Media Ministries: Sama TV & 222 Internet. For staff, contributors and volunteers, for expansion of TV to 24/7 and for uninhibited viewing for Farsi-speaking viewers in both Iran and the broader Middle East. Please pray for the launch of 'LIVE' broadcasts in March, on social media and the Mohabat TV satellite. Please pray for financial resources to complete the infrastructure and hire the necessary personnel.

Day 15 Pray for: 222's Follow-Up Team: For the diligent staff and volunteers who handle hundreds of calls and emails each month. Pray for God's miraculous intervention to free the obstacles that are made on so many of our calls from Iran. Please pray as we seek to expand the team to handle thousands of calls that we expect to come as a result of the 'live' programmes.

Day 16 Pray for: 222 Children's Ministry: Including a new full time team for Children's TV, internet and publication. We believe this is a crucial area of our focus affecting close to 20 million children and teenagers. Please pray for the 'Nahal' (New Plant) nurseries and kindergartens established now in three locations in Turkey. On Christmas 1,780 children age 2-14 participated in joyous programs in over 12 cities and received gifts. Pray for each to grow in their faith in Christ!

Day 17 Pray for: 222 Women's Ministry: For Maggie and her leadership, for the emergence of anointed and ordained, godly leaders in all areas of this ministry. Pray for Iranian, Afghan & Tajik women in all walks of life. Pray for over 200 ladies who Maggie and her team plan to encourage, train and equip in 2017.

Day 18 Pray for: 222's Youth Ministry: For the emergence of godly, anointed, gifted leaders to take this high impact responsibility.

Day 19 Pray for: 222 Bible College: This is open to all Farsi-speaking Christians and emerging 222 leaders. For Joe and Anna who lead 222's online college. Please pray for

resources to bring on board one full time scholar to monitor students and encourage their growth in the word of God.

Day 20 Pray for: 222's Pearl Ministry: Pearl serves the abused women and men. For Stella and her team. Pray for resources and new direction to carry on the new initiatives that have started in Turkey. Many men and women who have come to Christ are carrying the baggage of past hurts and abuse and suffered trauma. All of them require a loving hand, a listening ear and Godly counsel.

Day 21 Pray for: 222's Humanitarian Work: With limited resources we are involved in Armenia and Turkey; the need is far beyond our financial abilities. Please pray for favour in finances and in opportunities to share the Gospel with all the recipients of food and material blessings. In 2016 God enabled us to support over 1,000 Syrian, Iranian and Iraqi families and 1,780 children.

Day 22 Pray for: Signs & Wonders: An outpouring of the Holy Spirit confirming the preaching of the Word everywhere 222 is engaged. Pray for God awakening pious Muslims with dreams and visions drawing them to the foot of the Cross, as has been the case for many.

Day 23 Pray for: Muslim Clerics: The majority of Iranian and Afghan clerics are at best fanatically religious but have no relationship with God. They are full of bitterness and vengeance against their own people and the infidel world. Many in positions of authority have been corrupted financially and totally alienated from the need of their countrymen. Let's pray that they meet Christ in a supernatural way and choose to follow Him as their Lord and Saviour.

Day 24 Pray for: People Groups: 222 Ministries is very intentional to reach out to all of the 74 groups still unreached and unengaged in Iran. Please pray for passionate and bold evangelists from any of these people's groups to be raised up by God. We can confidently say that never before in the history of Iran has there been such openness and hunger. Let's pray to the Lord of the harvest for many workers.

Day 25 Pray for: Freedom in Christ: Give thanks for the successful completion and publication of the Freedom in Christ Series, complete with supporting DVDs and TV programmes. Pray for all the churches (including 222 churches) across the globe that have begun using it, with many more to join in this year. Pray for new initiatives taken by Maggie and her team to introduce this amazing course to many more Farsi-speaking churches.

Day 26 Pray for: Afghan Refugees in Iran: Despite incentives by the Iranian government there are still over 2.5 million Afghan refugees living in Iran. Many are silently suffering. We know of a number of Afghan Christians in Iran who have been martyred because of their faith! Pray for the spread of the Gospel amongst many Afghans in Iran.

Day 27 Pray for: 222's Finance Development: For wisdom and favour for the new volunteers and recruited staff who are in charge of development initiatives in the UK, USA and the Netherlands. Pray for miraculous opportunities, great connections,

supernatural provisions and much favour with those in position of affluence and influence who have a generous heart and mission mind.

Day 28 Pray for: The Plagues Impacting Iran: The Bible is very clear that those who curse you will be cursed! After 40 years of cursing Israel and the West, unheard of calamities, including fine brown sandstorms, are impacting complete cities in the south west and in Tehran, creating much suffering for breathing and producing boils on the skin. The 17th floor building, which was a landmark building in the centre of Tehran that had been expropriated from a Jewish owner who had been executed at the beginning of the revolution, burnt and collapsed on 19th January to the absolute shock and horror of thousands of people watching it on TV and on the streets, creating an eerie similarity to the Twin Towers of 9/11. May the nation's leaders repent and people wake up before a far heavier price is paid.

Day 29 Pray for: Afghanistan and Tajikistan: Both are Farsi-speaking countries with strong bonds that have existed over many centuries. Pray for boldness for the few thousand believers who face fierce persecution, particularly in Afghanistan. Pray for the three churches planted in three cities in Afghanistan; pray for protection, Godly leadership and multiplication. Pray for leaders who are keen to establish churches in four other cities.

Day 30 Pray for: 222 Ministries' Leadership: As we intentionally end our 30 Days of Prayer on 2.22 (22 Feb), please pray for Lazarus and Maggie as founders and overall leaders of 222 Ministries, as well as 222's International Board of governance and our Trustees across the globe. Pray for the emergence of a new generation of doubly anointed Elisha's to carry on the task for generations to come. Pray for 120 **DESTINY MAKERS**, who will be in love with Jesus, sensitive to the Holy Spirit, secure in Father, prayerful for the lost, untouched by the glitter of gold and the dust of pride! The best is yet to come!
